

UNIVERSAL APPEAL: FOOD HAMPER DISTRIBUTION INITIATIVE

Dear Corporate Partners, Donors, and Community Leaders,

As we joyfully move past our 25th Anniversary celebrations of **Jyoti Jivanam** (*Light is Life*), and approach the sacred festival of **Deepavali**, we are reminded of our shared responsibility to bring hope and support into the lives of vulnerable families.

Since our inception from the year 2000 as a **nonprofit organisation (NPO)**, we have successfully distributed over **118,500 food hampers** to families experiencing severe financial hardship. This initiative directly aligns our mission with United Nations Sustainable Development Goal 2 (UNSDG 2): **Zero Hunger**. To mark our landmark 25-year milestone, we have set an ambitious target to surpass **128,500 families helped**, aiming to reach **10,000 families in 2026 alone**.

The Executive Committee of Jyoti Jivanam extends a formal appeal to businesses, entrepreneurs, philanthropists, and corporate sponsors to partner with us in this initiative. **We invite your organization to sponsor food hampers at a cost of R300 per hamper.**

- **Impact of Your Contribution:** Each **R300 donation** funds a comprehensive food hamper packed with essential monthly staples—including rice, lentils, oil, sugar, and flour—delivered directly to a family in need.

Every individual that can afford to donate one hamper or more can light up the light in a family or more.

Your contribution is more than charity; it is a direct investment in human dignity, nutrition, and community resilience. We welcome the opportunity to partner with your organization to turn corporate social responsibility into impactful, direct action.
